

DATASHEET

Casa Vergara Cabernet Sauvignon Reserve 2019

Wine produced with own grapes from Viña Casa Vergara. With a main base of 85% Cabernet Sauvignon and 15% Carmenere, which makes it more complex in aromas and flavors. It is a very lively and tasty wine, with a deep dark color, smooth but full-bodied.

Its aromas of black plum, sweet spices and a soft toast from the barrel aging stand out.

Wine NOT FILTERED to maintain its natural characteristics. Over time it will leave deposits.

Casa Vergara, committed to the environment, has eliminated the capsule that does not contribute to the quality of the wine.

Pride and family tradition.

D.O. Cauquenes Maule, VII Región de Chile
