

DATASHEET

Casa Vergara Cabernet Sauvignon Reserve 2016

- This elegant reserve wine was produced with selected grapes from Viña Casa Vergara, deep ruby red in color, with aromas of very ripe black fruits and fine notes of vanilla and toast from its aging in French oak barrels. An elegant reserve wine, easy to drink, with ripe tannins and great character.
- Unfiltered wine to preserve natural characteristics. Over time it will leave deposits.
- Viña Casa Vergara contributing to the environment.
- We have eliminated the capsule in the bottle, an image accessory that does not add value to the quality of the wine.
- Pride and family tradition.

D.O. Cauquenes Maule, VII Región de Chile

BASIC ANALYSIS

Alcohol	14,50
Ph	3,57
